Western Counties Target Rifle Championships Bisley, Saturday 22 April 2017

Dear shooter.

Happy New Year! The Western Counties Championships will take place again this spring at Bisley, on Saturday 22 April 2017. The match follows the usual format, where we shoot a Queens 2 in the morning followed by a Queens 3 in the afternoon. We will also hold the prizegiving in the English Twenty Clubhouse again, by kind permission of the English Twenty Club, which gets everyone out of the breeze at the end of the day.

I am delighted that the dedicated marker team and range officers that were so well received in recent years are again available for this year's shoot, which I believe will provide a more enjoyable experience for everyone.

Entries must be received by me no later than Monday 3 April so that I can cancel any targets that we don't need. However, if you intend to enter, please do so early to avoid disappointment – don't leave it until the last minute.

There are some excellent trophies on offer as always, including open trophies, and others reserved for Dorset qualified entrants and members of Somerset County Rifle Association. Those who have shot this match before will also know that many prizes in kind are on offer, particularly those that come in bottles. We will also be competing for the Dorset English Twenty Jewel for 2017.

We will continue using A and B class as previously, in order to spread the prizes in kind more equitably, although trophies will continue to be awarded irrespective of class.

- A class those who are qualified as NRA X or A class;
- B class those who are qualified as NRA O or T class, or who have no NRA classification.

Please tick the appropriate box for A or B class on the entry form. However, the organisers reserve the right to re-classify anyone who is clearly unfairly advantaged or disadvantaged by this system.

Vintage Rifle Aggregate (Match 18). Entrants are advised to ensure that their rifles, ammunition and equipment conform to the rules for Vintage rifle. A convenient synopsis of these rules can be found on the SCRA website, here...

http://www.scra.uk/pages/view/663/vintage-rifle-rules-abstracted-from-nra-handbook

Young Shooters Aggregate (Match 20). This is open to anyone under 25 years of age on the day of the competition. As an incentive to younger shooters, anyone entering the Young Shooters Aggregate who is in full time education may enter any appropriate aggregates free of charge, and the Combined Entry Fee may also be reduced from £58 to £48.

FTR Class aggregate (Match 21). For FTR as defined by the NRA Handbook paragraph 164. New for 2017: The Watts Bowl will be awarded for the highest FTR Class score in the Grand Aggregate made on F class targets. A separate prize will be awarded for those opting to shoot on standard NRA TR targets. To enter, please tick the appropriate box on the entry form & enter only competitions 1, 2, 3, 9, 10 & 21.

Please note that to comply with new NRA rules, all firers must possess and carry a current **Shooter Certification Card**. You will not be able to shoot without this.

Please could last year's trophy winners arrange to return trophies to me, either on the day if entering the competition, or beforehand if unable to enter.

I look forward to receiving your entry, and seeing you on the range. Good shooting.

Yours Aye,

Ian Davison
